\$2,040^R Promised to Dry After Grad About \$10 for each graduate	\$1,500^R Set aside for Grade 12 scholarships 3 awards of \$500

ABOUT THIS REPORT

This report shows where PAC money came from and where it went in the 2025–26 school year. Most of it came from the BC Community Gaming Grant. The Province gives \$20 for each student every year, for activities outside regular classes. The grant cannot pay for scholarships or for thanking our staff. Those depend on you, through fundraisers and donations.

Thank you to every family who ordered samosas, chocolates and bubble tea, to the volunteers who ran each sale, and to last year's executive and treasurers, whose records made this report possible. Figures for May to August 2026 are still coming from the bank. We will add them and share the final report.

Three accounts, three jobs

The PAC keeps three bank accounts at Coast Capital Savings. Each one has its own source of money and its own rules.

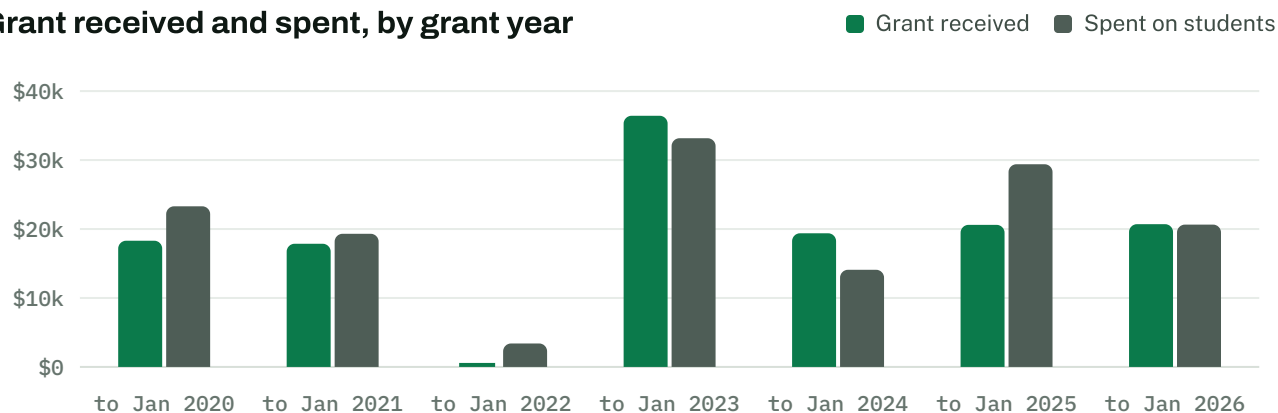

! The grant has limits. Provincial rules do not allow gaming money to pay for scholarships, staff lunches or anything the school must provide for classes. The family fund pays for the things the grant cannot.

THE LONGER VIEW

Seven years of the grant

Since February 2019 the PAC has received \$133,260 in gaming grants and spent \$143,276 of gaming money on students. Spending was higher because the account also held money from earlier years.

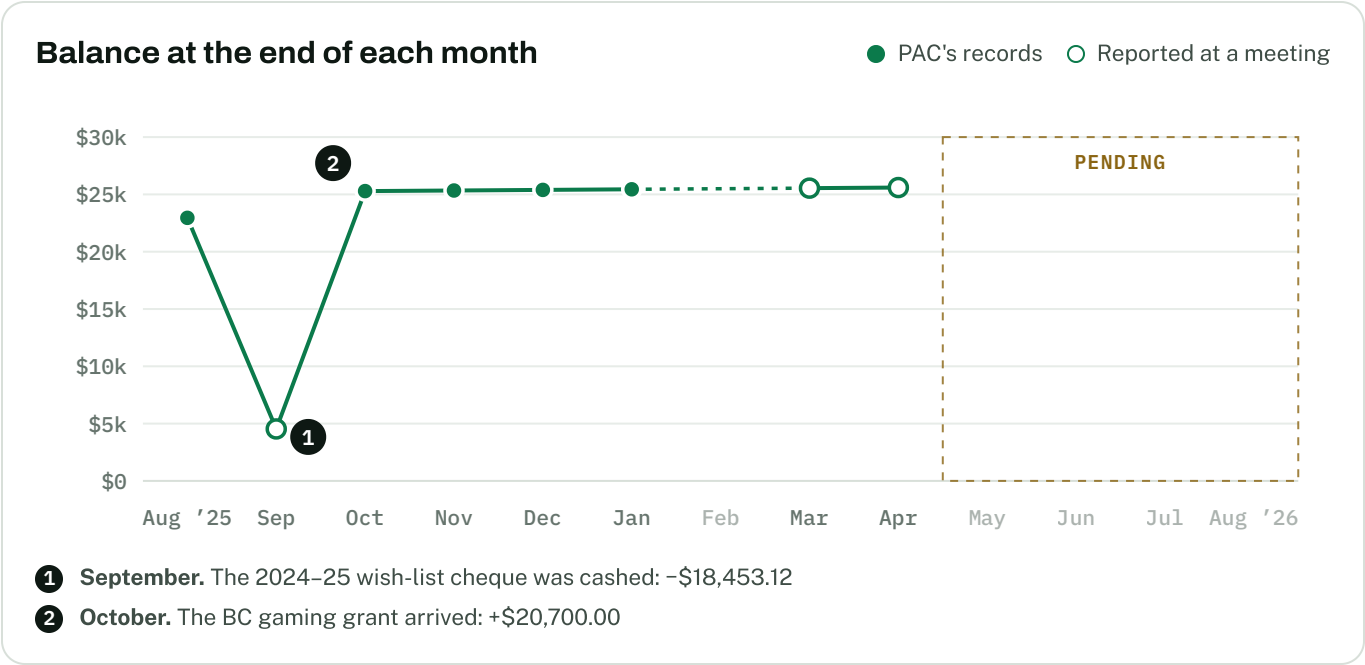

Grant received and spent, by grant year

Grant years run February to January. Spending counts cheques in the year they were cashed. The last bar paid the 2024-25 wish list and the June 2025 Dry After Grad cheque.

The BC grant, month by month

The balance fell in September 2025 when the 2024–25 wish-list cheque was cashed, then rose in October when the new grant arrived. After that it earned interest while the 2025–26 wish list waited to be paid.

2025–26 wish list Dry After Grad Not yet promised

This assumes Dry After Grad is paid from the gaming account, as in 2024–25. The May 13 report said some late wish-list requests could still be added. The bank statements will show if the 2025–26 wish-list and Dry After Grad cheques were cashed before August 31, 2026.

What school groups asked for

Each fall, teachers and clubs send the PAC their requests. On November 12, 2025, the PAC approved the list for 2025–26.

PROMISED BY THE PAC

About \$10 for each graduate, for the celebration on June 22–23, 2026. The Dry After Grad committee raised the rest through its own events.

What families made possible

The family fund is the PAC's operating account. Almost all of its money comes from McRoberts families, and it pays for what the grant cannot: scholarships and thank-yous to our staff.

KEEPING MONEY SAFE

How we look after the money

Right: what we will propose for 2026–27.

- ✓ Gaming money is kept in its own bank account, as the Province requires
- ✓ Three accounts at Coast Capital Savings: gaming, family fund and Dry After Grad
- ✓ Rule: every cheque needs two signatures
- ✓ A treasurer's report at every PAC meeting
- ✓ 7 PAC meetings, September 2025 to May 2026

A budget in the fall

A 2026–27 budget for the gaming account and the family fund, shared at a PAC meeting.

A monthly check

Each account is checked against its bank statement every month.

A yearly report

A report like this one after each school year.

New cheque signers

The people who can sign cheques are updated for each new executive.

Help us fund 2026–27.

School budgets are tight this year, so extras like scholarships and staff thank-yous depend more on families.

The gaming grant cannot pay for scholarships or for thanking our staff. Only family fundraising and donations can.

In 2025–26 we aimed for five scholarships, and families made three possible. With your help, we can reach five.

PROPOSED GOALS FOR 2026–27 (TO BE CONFIRMED AT A PAC MEETING)

\$2,500

Grade 12 scholarships

5 × \$500

\$1,000

Staff thank-yous

Thank-you events for staff during the year

WHAT YOUR GIFT DOES

\$50

One tenth of a \$500 scholarship

\$100

One fifth of a \$500 scholarship

\$250

Half of one Grade 12 scholarship

\$500

One full scholarship for a graduating student

HOW TO GIVE

Online giving is coming soon. We will share the details once the PAC Treasurer confirms them. **To be confirmed**

OTHER WAYS TO HELP

- Come to a PAC meeting. Everyone is welcome. The dates are on the school calendar.
- Volunteer for a fundraiser or the staff thank-you breakfast.
- Order from our next fundraiser.
